STATES WITHOUT A COMPLETION

The following states have not been the site of a Completion (the last state of someone's highpoint quest). For this year, I removed KS and NC from 50 and KS from 48. As you plan which state will be your last, consider one of these states, and be the first to do so (especially a 50 completion on PA or SC).

Nobody has Completed the 50 on . . . Massachusetts, Mississippi, New Hampshire, New Jersey, Pennsylvania, South Carolina, West Virginia

Nobody has Finished the 48 on . . . Pennsylvania, South Carolina
