# 30th Annual Highpointers Convention - Red Lodge, Montana

## By John Mitchler

On behalf of the Highpointers Club I extend a warm invitation to join us in Red Lodge, Montana, for a truly unique convention.

It is time to go Western, and this is the IDEAL spot for that. Red Lodge is one of those special places which captures the essence of the West, and it is surrounded by ranchland, wild rivers, gorgeous mountains, and epic National Parks.

## What To Do

Because the region is so rich in destinations, we assume you'll be planning your own adventures before and after our gathering in Red Lodge.

We will organize events in Red Lodge on Thu, Fri, and Sat so we can come together to share stories and meet new friends. This will be the ideal time for new members to come see what all the talk is about with "konventions."

## Lodging

Please be aware that our host town is a very popular place in the summer. V-e-r-y popular. So please review the lodging list on the next page and book a room. Basically Red Lodge is one long street, with the Host Hotel on the southern end, so I listed the various motels relative to this hotel.

There are campgrounds at the edges of town, and the Host Hotel has limited RV space on their grounds.

If you have any questions or need help, please contact **Nikki Hemphill** or myself. We've already helped many, so do not hesitate.

## Registration

When you first arrive in town, swing by the Host Hotel and register. Pick up maps and brochures. Get your t-shirt and badge to wear around town, showing the locals that the Highpointers have arrived.

We will have plenty of seats at the Banquet, but you are advised to register now before you let it slip. Our deadline for registration (and refunds) will be when we order the shirts and food this summer.

## Location

Red Lodge is located in south central Montana, near the Wyoming border, 65 miles northeast of Yellowstone and 60 miles southwest of the Billings airport. Please refer to the maps on the following pages.

Some of you may take a commercial flight into Billings and drive to Red Lodge. Some of you may drive the Interstates from the East, South, and West.

Red Lodge has full services for travelers, as well as an amazing assortment of stores, restaurants, bars, casinos, and a brewery (which we'll use for our informal Thursday evening Ice Breaker).

The USFS ranger station is located a mile from the Host Hotel and they are eagerly waiting our arrival, so be sure to stop by to say "howdy."

If you need hiking gear or supplies stop by Sylvan Peak, the outdoor store in downtown Red Lodge. This is a top notch place to meet all your needs.

This is an IDEAL location for vacations, so get the family involved in planning to visit nearby national parks centered around the convention. This is the Centennial of the NPS.

## Hope to See You There, Pardner

Every convention has its own vibe based on events tailored around the local area. It's what makes each Konvention so different and so much fun.

The MT-16 convention is designed to take advantage of the local attractions. The Host Hotel will offer their breakfast free to Highpointers each day, regardless of where you stay.

Plans are being developed for popular konvention events such as county highpoint hikes, outdoor skills workshops, and Billy's rock climbing. And we are very pleased to hear that the guide services want to participate at each evenings' events.

This is going to be great location and a great time, so grab your cowboy hat and boots and come have some fun. I would not *steer* you wrong!

## Convention Activities

I hope you can pull yourself away from the beautiful mountain surroundings long enough to attend these events in Red Lodge.

### Thursday August 11

Convention Registration at Host Hotel - Beartooth Hideaway

Pre-Convention Ice Breaker at the Red Lodge Ales Brewery where the owners will close the kitchen and open up the outdoor grill to accommodate our crowd. Public is welcome, so come early.

### Friday August 12

Convention Registration at Host Hotel  
Friday Social at the Host Hotel with appetizers and the brewery's beer truck. Come meet the mountain guides for awhile and then head into town to swing with the locals.

### Saturday August 13

Convention Registration at Host Hotel  
Group Breakfast at the Host Hotel  
Watermelon Feast at a popular location near Red Lodge  
Board of Directors Meeting at Host Hotel, open to all members  
Traditional Meeting of the Liars Club (aka Happy Hour Social) at the County Fairgrounds on the west side of town  
Banquet at the Fairgrounds with dinner followed by the Membership Meeting and special interactive event to round out the evening

### Granite Peak

There will not be a Club climb of this highpoint, however, several private groups are being formed, as well as many guided groups, both before and after the convention.

In addition, members are planning to do Gannett in WY and Borah in ID, so check the KK column for partners.

(visit this web site and check out the affordable price for a guide on Borah)

We are in contact with these guide services, and they are super excited about our upcoming gathering in Red Lodge! They've added extra staff and climbs to accommodate Highpointers who are prepared to tackle these tough peaks. Consider going after the convention for fewer crowds. Please visit their web sites for what is involved in their packages. Ask them for the Highpointers discounts and help support their businesses by using their services.

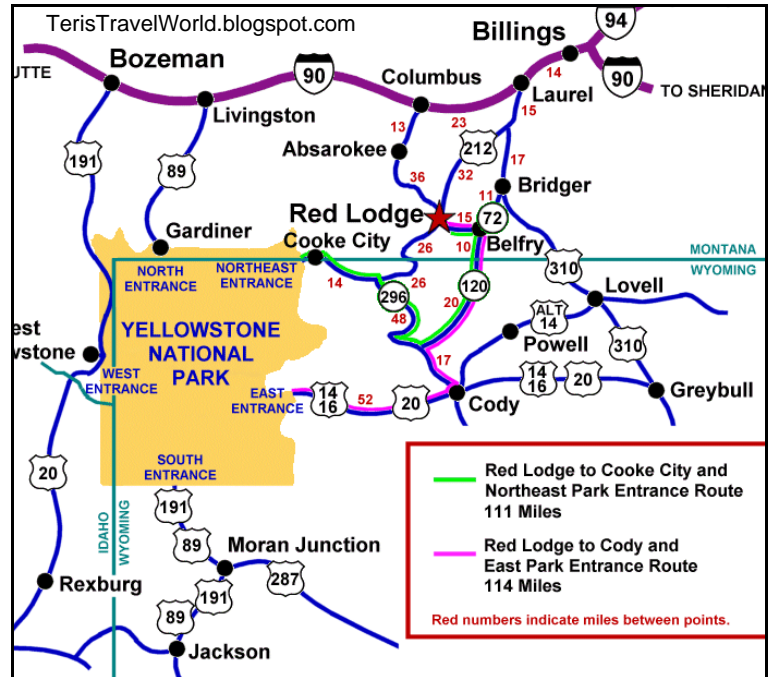

Mountain guides are some of the most fun people around. You will learn skills and be safe, so consider using them. Also, we are hopeful they can participate in some of our convention activities, so you can meet them face to face and ask questions.
